YOUR CHOIR NEEDS YOU!

Change to choir rehearsal arrangements

The choir will not now rehearse on a Friday evening, to avoid members having to come out in dark, cold and often very inclement conditions.

We will practise at 10am on Sunday mornings and will review this arrangement as time passes.

If you would like to join us but have been prevented up to now for whatever reason, you are very welcome to come to church at 10am on any Sunday to see how we work and whether you feel it is for you. Just turn up. You wouldn't have to sing in the choir for the service on the day of your visit if you prefer not to.

We only sing two pieces each Sunday, plus, of course, the hymns.

Looking forward to seeing you at some time of your choosing.

BB News

Thursday 1st February saw a visit to the company by some special guests. Police dog trainer Robert, police dog handler Helen, and their crime fighting canine friends, Gerry and Huxley.

The boys were told how the dogs are trained, and each dog trained to look for a particular scent, explosives or drugs. A demonstration was given by hiding samples around the hall, and on the boys! The dogs, under instruction from their trainer found all the samples, and fortunately no other suspicious materials were detected. We are extremely grateful to Robert and Helen, and Gerry and Huxley, for sparing the time to come and speak to us and explaining the important work they do.
